Evaluation Bursary Application 2023 - 2024

Evaluation bursaries are open to all staff who are implementing an intervention (activity/initiative) that aims to enhance any part of the student life cycle; access, retention, attainment, and progression.

All fields of the application should be completed in full. Further details about the Evaluation Bursaries is available on the STEER Blog or you can contact Nathaniel Pickering (n.pickering@shu.ac.uk).

	*
	What is the intervention (to be evaluated)? What are the expected successes of your intervention (outcomes & impact)? What do you already know about the intervention (evidence and rationale for action)? (Maximum 150 words)
8.	Evaluation Plan (Maximum 150 words) *
	An evaluation plan outlines how you will measure the success and impact of your project, it will include, what type of evaluation is being undertaken, method of collecting data, ethical considerations etc.
	You might want to consider: What are the objectives of this evaluation (what do you want to know)? What type of evaluation is being undertaken (process/impact)? What is the proposed evaluation methodology? How will the data be analysed to show the success of the intervention? How will findings be disseminated to ensure learning?
	You might not know all the details about the evaluation yet and feel that you might need support developing this. If this is the case please outline how you would like to be supported.
9.	Evaluation Participants *
	How will participants be worked with to produce the evidence for this evaluation? How will participants be selected, recruited, and briefed? Or how will evaluation activities be embedded into the intervention? How will consent be gained from participants? (Maximum 150 words)

10.	Student Collaboration *
	How have students input into the intervention design? How will you work with student researchers during the evaluation? How will you support the student researchers to engage in this evaluation? (Maximum 150 words)
11.	Project Budget *
	How will the project use the £1000 bursary funding (student researcher cost £12.22 per hour, incentives, dissemination, catering, conferences, etc.)?
12.	How many hours will the student researchers work each month of the project? *
	The value must be a number
13.	How many student researchers will work on the project? *
